

## REFERENCES – EVENT MANAGEMENT

For more than six decades of existence, Economics Institute was an organizer, partner and co-organizer of hundreds of events - the scientific and professional gatherings, congresses, forums, conferences, roundtables, presentations and promotions for its own and for the clients' needs.

According to all parameters, events organized by Economics Institute received the highest marks of speakers, participants and the media, both in terms of agenda and organisation quality, and became a recognizable brand in the Serbian event management market.
